

Press Release

Thursday 29th March 2011

Thursday 31st March 2011: Today sees the launch of the new **Strategic Welfare2Work Assistance Team**. The S.W.A.T will assist organisations in driving performance and increasing competitive edge by providing a tailored outcomes focussed approach to the delivery of employment related contracts.

Creating and sustaining high performance has always been and will continue to be a significant challenge for all providers. The successful delivery of the new Work Programme requires innovative approaches.

External volatility means that a step change in performance will only occur when new methods and approaches are implemented. Our new S.W.A.T has been designed to assist you to meet some of these real live challenges.

Contact us to discuss to explore how we can assist you.
